PROFESSIONAL EXPERIENCE

Associate, Origination

Jan 2025 – Present

Bad Twin Capital, Toronto, ON

- Boutique investment bank specializing in Main Street and LMM M&A and capital raising globally.
- Secured \$500M+ in funding opportunities across biotech, SaaS, real estate, and crypto for both funds and startups.
- Sourced and qualified 25+ startup clients weekly, aligning their growth stage, valuation, and market potential with investor mandates.
- Bridged relationships between institutional investors (family offices, VC firms, PE, etc.) and qualified startups, structuring tailored introductions that accelerated funding timelines by 60%.

Capital Markets Intern

Jun 2023 – Dec 2023

PATRIZIA SE, Toronto, ON

- Global asset management leader (headquartered in Germany) managing \$87B in real assets, focused on real estate and infrastructure.
- Conducted in-depth market analysis to uncover investor opportunities, directly supporting business development strategies.
- Created high-impact roadshow recap presentations that distilled key insights and aligned stakeholders on next steps.
- Led the rollout of the Seismic Sales Enablement platform, developing SQL-based product disclaimer logic and building dynamic product information pages to improve client engagement.
- Built and deployed advanced Salesforce dashboards to track fundraising activity, delivering actionable insights that informed strategic decisions at the senior leadership level.

Business Analyst Summer Intern

May 2022 – Aug 2022

Fiera Capital, Toronto, ON

- Automated revenue tracking through dynamic PowerBI dashboards, cutting manual reporting time by 50%.
- Programmed VBA macros for streamlined RFP data retrieval, enhancing efficiency and data integrity by 80%.
- Spearheaded Salesforce CRM optimization, standardizing client hierarchies and organizing profiles to improve team-wide accessibility.
